

SILVER COINS VANISH IN MYSTERIOUS WAY

(By Associated Press.)
BERNE, April 17.—German papers report a veritable and almost mysterious disappearance of small coins, making it constantly necessary to issue new provisional iron money which must be "cashed in" after the war.

The government, since 1916, has collected and issued 50 pfennig pieces, most of which have disappeared from sight almost as fast as put out. In addition it has put out 118,000,000 10-pfennig pieces and about as many 5-pfennig pieces made of iron, and even these are disappearing. Business firms are known to have in some cases as much as

70,000 marks worth of iron money. The situation is to be relieved, it is reported, by a huge issue of "bons" for 50 pfennigs apiece, which will be put out by individual municipalities and taken up after the war.

The shortage of small money, and its retirement from circulation and into countless stockings, has been under way for more than two years. It began originally in the occupied portions of France, then spread to similar districts in Russia. Its first result was the issue of municipal paper money all over northern France, and the issue of military orders forbidding the natives to accept either French or German money but to accept only town "bons."

HOME RULE DEAD SAYS IRISH ORATOR

(By Associated Press.)
DUBLIN, April 17.—Count Plunkett, newly elected member of parliament for North Roscommon, speaking at a public meeting at Sligo the other day, said that home rule for Ireland was at present a "dead horse." "We have," the count continued, "a scheme of which you will hear very soon, under which a body will have the duty of presenting the claims of Ireland to complete independence before the peace conference."

EXTENSIVE RAILROAD PLANS FOR RUSSIA

(By Associated Press.)
STOCKHOLM, Sweden, April 17.—Petrograd, April 17.—American capitalists have submitted a proposition to the Russian government for the construction of more than 100 miles of railway between Moscow and points on the Sea of Azov, at a cost of approximately \$175,000,000. The railway, if constructed, will tap important coal fields in southern Russia.

(By Associated Press.)
STOCKHOLM, Sweden, April 17.—Another big bank merger, the sixth within less than a month, was announced. The Stockholm Bank of Commerce takes over the Nordbank and Bank, giving it a combined capital and reserve of nearly \$38,000,000.

U. S. WILL NOT HAVE CENSORSHIP

(By Associated Press.)
WASHINGTON, D. C., April 17.—Secretaries Lansing, Baker, Daniels and George Creel, who compose the government publicity bureau, created by the president, held their first meeting to plan a course of action. The primary purpose of the bureau is to profit immediately by the mistakes abroad in imposing censorship at the beginning of the war, and to open to the public all proper information except such as, in the judgment of the press itself, it would be unwise to print. Indications are that no attempt at censorship will be made.

A COLORED PATRIOT

The following speech of a colored man at a recent mass meeting in a southern state should be read carefully. It has a ring to it that ought to make many, who enjoy the benefits of citizenship and are inclined to criticize instead of uphold the government, thoroughly ashamed of themselves:

"We have a record to defend, but no treason, thank God, to atone or explain. While in chains we fought to free white men—from Lexington to Carri—a—and returned to our chains. No negro has ever insulted the flag. No negro has ever struck down a president of these United States. No negro ever sold a military map or secret to a foreign government. No negro ever ran under fire, lost an opportunity to serve, to fight, or missed a chance to bleed and die in the republic's cause. Accuse us of what you will

THOUSAND A DAY GOING INTO NAVY

FINE LOT OF MEN GOING INTO THE SERVICE OF FIRST LINE OF DEFENCE

(By Associated Press.)
WASHINGTON, D. C., April 17.—Recruiting for the navy is bringing in over 1000 men daily. Officers are pleased with the character of recruits. "A fine lot of young men," said the commander of a battleship, "cheerful, patriotic, eager to learn and are getting knowledge in large doses and assimilating it."

—justly and wrongly—no man can point to a single instance of our disloyalty.

"We have but one country and one flag, the flag that set us free. Its language is our only tongue, and no hyphen bridges or qualifies our loyalty. Today the nation faces danger from a foreign foe, treason walks and stalks up and down our land, in dark councils intrigue is being hatched. I am a Republican, but a Wilson Republican. Woodrow Wilson is my leader. Where he commands me I shall go. If he calls me to the colors, I shall not ask whether my color is black or white. I shall be there to pick out no color except the white of the enemy's eye. Grievances I have against this people, against this government. Injustice to me there is, bad laws there are upon the statute books, but in this hour of peril I forget, and you must forget, all thoughts of self or race or creed or politics, or colors. That, boys, is loyalty."

MONEY FROM AMERICA ENRICHES THE SWEDES

(By Associated Press.)
STOCKHOLM, April 17.—America sent to Sweden more than 10,000,000 crowns more in postal money orders than it received from Sweden in 1916. The excess in Sweden's favor was more than 4,000,000 crowns more than in 1915, and approached the figures of 1913, the last normal year. Money orders sent from America to Sweden in 1916 aggregated almost 11,000,000 crowns.

"Just What I Want!"
"Give me cake made with Calumet—I know what I'm getting—I know it's pure, wholesome, nourishing, tempting and tasty."

"It's all in Calumet's wonderful leavening and raising power—its absolute purity. Use Calumet for uniform results and economy."

Cheap and big can Baking Powders do not save you money. Calumet does—it's pure and far superior to sour milk and soda.

A MIGHTY good doctor says to me once: "When it comes to curing folks, Nature is the real M. D.—I'm only her assistant." That's the way I feel about curing tobacco.

FATHER TIME & MOTHER NATURE TOBACCO EXPERTS

Scat! I'm saving this for VELVET!

MOTHER NATURE Protects Your Tobacco IF You Smoke VELVET

She sees to it that Velvet's mellowness and aroma are not created by artificial methods, but by her very own. That is—A complete natural curing for two years, during which time the tobacco remains, untouched, in its original wooden hogheads. At the end of two years it is made into Velvet and is as smooth as its name implies.

Men have tried—and will try—to beat this method by quick curing or artificial processes, but Mother Nature's way—the Velvet way—remains the very best.

It costs us more money to prepare Velvet in this way—it will cost you only 10 cents to prove Velvet, at the first store you come to!
